Radhika Dhuri

Cartographer and GIS Analyst

Munich, Germany | radhamaheshdhuri@gmail.com | github.com/Redrum13 | linkedin.com/in/radhika-dhuri-11885a223 | redrum13.github.io/Portfolio

Summary

Cartographer and GIS analyst with an Erasmus Mundus MSc in Cartography. I turn complex spatial data into clear maps, web maps and visual stories with QGIS, kepler.gl and Illustrator. I design layouts that non-experts understand quickly. I like working between data teams and the people who use the results.

Education

MSc in Cartography (Erasmus Mundus Joint Master)
TU Munich, TU Wien, TU Dresden, University of Twente | 2024 – 2026

MA in Geography
Parvatibai Chowgule College (Autonomous), Goa University | 2022 – 2024

BA in Geography
SNDT College of Arts and Science, SNDT Women's University | 2019 – 2022

Projects

Atlas of Sustainability, International Cartographic Association
TU Wien | 2025

- Co-authored the SDG 13 Climate Action spread of an official ICA atlas, made in one week. Prepared the data in QGIS and finished the layout in Illustrator.

Master thesis: star dune dynamics in the Namib Sand Sea
TU Munich | 2026

- Built an automated Python workflow that processed 112 Sentinel-2 images and published the results in a Streamlit dashboard for experts.

Skills

- **GIS and spatial databases:** ArcGIS Pro, ArcMap, QGIS, PostgreSQL/PostGIS, SQL, GDAL/OGR, GeoServer
- **Earth observation:** Sentinel-2, Landsat, SAR, Google Earth Engine, ERDAS Imagine
- **Programming and modelling:** Python, R, JavaScript, Random Forest, Linear Regression
- **Cartography and web mapping:** Adobe Illustrator, Figma, kepler.gl, Flourish, Leaflet, MapLibre GL JS, D3.js, Streamlit
- **Tools:** Git, GitHub, LaTeX, Microsoft Office
- **Languages:** English (fluent), German (B1), Hindi (fluent), Marathi (fluent)

Awards and Presentations

- **UGC NET in Geography, 2024:** National eligibility test for university teaching, India
- **Top score in the Geography major, 2022:** Final year of the BA, SNDT Women's University
- **Conference talk, Deccan Geographical Society of India, 2023:** Urban heat island of Pune
