PROFILE

Graduating cartography student in the Erasmus Mundus MSc Cartography programme. I consider myself a responsible and orderly person. I work across the full spectrum including handcrafted print maps as well as interactive web maps and mobile applications. I'm looking for my first role as a cartographer or in similar capacity.

EDUCATION

Erasmus Mundus MSc Cartography

2024 - 2026

Technical University Munich | Technical University Vienna
| Technical University Dresden | University of Twente (ITC)
